

The California Tumor Tissue Registry

149th Semi-Annual Pathology Cancer Seminar

“Hematologic Processes in Surgical Pathology”

Sunday, June 5, 2022

8:30 a.m. - 4:45 p.m.

**Westin Hotel, South Coast Plaza
Costa Mesa, California**

Prelectors:

Aaron Auerbach, MD is the Senior Hematopathologist at the Joint Pathology Center and the Chair of the College of American Pathologists Surgical Pathology Committee. He is known for his Hematopathology lectures at the Osler Institute which he has done for the past 20 years. He is the editor with Dr. Aguilera of the brand new textbook, "Diagnostic Pathology: Spleen" which was released in March 2022. He is also the editor of "Diagnostic Pathology: Molecular Oncology 2nd edition" which was published in 2019 and creation of the “What’s New In ...” series in Archives of Pathology.

Nadine Aguilera, MD is an Associate Professor of Pathology at University of Virginia Health System, where she serves as the Section Head of Hematopathology and the Director of the Hematopathology Fellowship. She has directed national courses and extensively lectured on Hematopathology. She is on the editorial board of American Journal of Surgical Pathology, reviewer of numerous journals and is a member of national committees for both CAP and ASCP. She has authored over 50 book chapters and over 60 papers. Dr. Aguilera’s areas of interest include spleen, extranodal lymphoma, benign lymph node and Castleman disease.

Hotel:

The Westin South Coast Plaza is located within minutes of the Orange County John Wayne Airport and provides a complementary shuttle service between the hotel and airport. From its stately interiors in its gracious rooms, the Westin sets the standard of world-class luxury accommodations. The hotel offers a myriad of entertainment opportunities, including recreational and cultural activities. Immediately adjacent to the hotel are the highly acclaimed South Coast Plaza Retail Center, and Orange County's celebrated Performing Arts Center.
